

Help Glacier Students Spread Holiday Cheer!!!

The students of Glacier Valley High School, in cooperation with the Chelan Safeway, have put up the "Giving Tree" in the west entrance of the store. The goal is to have people stop by and take one of the paper ornaments on the tree. On the ornament people will find a name of a resident at Regency Manor, and a list of small items that would make their Christmas and New Year better. The person who takes the opportunity to give would then purchase an item off the list, wrap the present with the persons name on it, and then return it to the Safeway store and place it under the tree. On Thursday, December 17, the students of Glacier Valley High School will take the gifts up to Regency Manor and present them.

We would like to thank you in advance for your participation in this project, the wonderful people at Safeway who help make this happen, and wish everyone a Happy Holidays and a terrific New Year.

The staff at Glacier Valley High School.
