

Classified Employee of the Year!

Timmie Linehan has been selected as the top classified employee of the year in our region (29 School Districts)!!! This is a new, first time ever, state award and is similar to the state teacher of the year process. Timmie has been employed for 22 years by the ***Lake Chelan School District*** as a para professional in our special education department. For the last several years she has been working in our guidance counseling area, helping seniors with career/college choices and scholarship/student loan information at Chelan High School. We are extremely proud of the work that Timmie and others do each day to improve learning and program opportunities for our students. Timmie's application will be forwarded to the state and she will compete with the other 8 ESDs selected employees of the year. We wish her well in this next phase of the selection process and thanks to everyone!! ***Congratulations Timmie!!!***
