**NEWS RELEASE
16 Nov 2010**

For Immediate Release— Six members of the Chelan FFA Chapter traveled to Tonasket for the Tonasket Invitational Livestock Judging CDE. Member placed classes of feeder steers, replacement heifer, 1st calf heifers, aged ewes, 1st lamb ewes, and goat replacement does. It was a very practical contest using commercial livestock which forced students into real life situations involving their decision making. Most Livestock CDEs involve show quality livestock which doesn't always represent the commercial livestock industry. It was an excellent test of their knowledge and ability. The Chelan team brought home the 2nd place team banner and Apolinar Blanco, a freshman member, earned the 1st place individual trophy.
