Are you curious? Here are some details about the Family Night programs:

- Sessions are only 1 hour long!! Families can come to one session or two: 5:30-6:30 and 7:00 – 8:00. Several sessions are repeated twice in one night, so you can choose the time you would like to attend!

- There will be FUN crafts, activities and games for younger children (over age two) while parents attend classes.
- All the sessions will be translated.
- There will be snacks provided by MOE PTA in case you don't get home to have dinner before the sessions.
- The MOE library will be open all evening with lots of books in English and Spanish to check out!!
- Be there 20 minutes before your session starts so that you can register for a session, grab a snack, and get your child to their activities!
- Many school staff members are involved and we have generous community partners stepping up to provide fun, informative opportunities for your family. Partners include the Opportunities Industrialization Center, Chelan Rotary, Chelan TOGETHER! For Drug Free Youth, Columbia Valley Community Health, Chelan and Manson Libraries and the WSU Extensions of Chelan and Douglas Counties.
