*1/19
No School

TRANSPORTATION NEWS

Quick reminder that the Lake Chelan School District's policy for transporting Kindergarten students requires a parent or responsible part to be visible to the bus driver prior to letting the child off the bus. If the parent or adult is not visible to the driver the child will not be let off and returned to the school and parents will be notified to come and pick up their child. This policy is set up for the safety of the child and will strictly be adhered to. If you have any questions, please feel free to call the transportation supervisor, Brenda Shaffer at 682-2442.

Release

MAKE QUALITY TIME OUT OF EVERYDAY ACTIVITIES

We often talk about "family time" why is it important? All families need to spend time together to build a strong family relationship. Here are a couple of tips to make this happen.

When watching TV use commercial breaks to mute the sound and talk about what you are watching. Share opinions and ideas about the show.

Remember, board games never go out of style. Look for games that appeal to your child's interest and age level. Whatever the activity is, being together strengthens family bonds.

WASL TESTING AT MOE

Students grades three through five will be taking the W.A.S.L. test April 13th thru May 1st. We would like to request that you schedule all appointments or any travel plans around these dates. This is a very important exam for our students. Plan early.

PTA MEETING

Their first meeting of the New Year will be Tuesday, January 20th at 5:30 pm in the library.

CAN FOOD DRIVE

Students will be able to bring non-perishable food that will be donated to the local food bank. This is good way to help our community.

Please remember to send you child with a warm coat every day. It is chilly outside and the students will still be going outside to play. If your child has misplaced a coat, hat or gloves please stop by the lost and found located in the gym.
