#### READING:

Our story for these weeks are a photo essay about a boy named David who visits a firehouse with his class. At the firehouse, they see different fire trucks and even help wash one! Enjoy "Jay the Mailman" and "Watch Out for Thick Mud!" two photocopied stories sent home in your child's brown reading folder. After reading the story aloud a few times, re-

view what happens—page by page. Ask questions about what happens. Who called Rain Forest 911? What happened to Sasha? If your child is not sure of an answer, help him or her find it in the story.
