

## **CMS Student Led Conferences 8<sup>th</sup> Grade Format and Times**

- During the week of April 6<sup>th</sup> -10<sup>th</sup>, staff will be meeting with 8<sup>th</sup> grade students who are struggling in multiple classes. Times were set up through the students Advisory teacher. If you were not contacted yet, we plan on meeting with you at a later date. The purpose of these meetings will be to discuss and create a plan for the student to finish the year strong and prepare themselves for the transition to High School
- If we do not meet with you during the first week of April, 8<sup>th</sup> Grade Staff will be available at certain 8<sup>th</sup> grade transition meetings and will be contacting families throughout the spring to conduct one-on-one Student Led Conferences with students and families. The topic of conversation will center on transition plans and goal setting for High School
- We felt it was important to change the focus of the spring Student Led Conference in order to help with the transition to High School.
- We hope that this format will allow for more productive and meaningful conversations as we work together to prepare your student for the next level of their education.
- We will be in communication with you throughout the remainder of the spring and look forward to meeting with all of you!
