

LCSD GUIDING PRINCIPLES – REOPENING SCHOOLS

Ensure safe working conditions and learning environments. Leverage science, data and public health leadership to inform decisions.

Address systemic inequities and provide additional support to students who need it. Center decisions on what is best for students, families and educators.

High quality instruction for all students; provide choice for families wherever possible

Provide adequate technology training for parents and students. Provide time and flexibility necessary for staff to prepare for all models

Listen and ensure transparency and be decisive regarding decisions to re-open school. Provide translation for Hispanic families.

TEACHING AND LEARNING

- Google classroom will be our Learning Management System for the school year
- Teachers will be providing instruction to students via synchronous (Zoom meetings) and asynchronous (Videos posted in Google Classroom)
- Students should be checking into each of their classes during the scheduled times as attendance will be taken during live meetings.
- Class time instruction will be a mix of live instruction by teachers, small group break-out meetings, and independent work time.
- Advisory time on Tuesdays-Thursdays will be a time for students to connect with one another and have time to work on our Character Strong curriculum.

1ST WEEK ORIENTATION

- Teachers will begin reaching out to parents on Tuesday, August 25th to schedule a meeting with parents/students during the 1st week of school.
- These meetings will be a chance for parents and students to learn about Google classroom and how parents and students can work together to be successful during online learning.
-
