Independent Learning Time

Students work on a variety of independent activities planned by and under the direction of MOE staff. This includes iReady for reading and math. iReady will begin after September 15th. The iReady recommendations for students are:

2/3 - 45 minutes daily

4/5 - 60 minutes daily

Other continuous learning opportunities may include:

- Physical education (recorded video)**
- Music appreciation (recorded video)**
- Literacy and math concept follow-up from teachers (recorded video)**
- Small groups of students meeting with specialists or classified staff**
- Independent reading**
- Art education**
- Menu of learning options**
- Project-based learning**
- Recess**
