

Lake Chelan School District

Athletic Department

On behalf of the athletic department we would like to welcome you to Lake Chelan School District. The athletic department at Chelan is an extension of the classroom and considers athletics to be an integral part of the Chelan learning community. Interscholastic Athletics are a vital part of the comprehensive high school experience. Chelan Athletics focuses on what is most valuable about sports: development, teamwork, and pride in our schools and community. Thank you for allowing us to work with your son and/or daughter as we help shape them into positive and productive young men and women. Teaching kids to work hard for their goals and overcome adversity are lessons that carry on long after the scoreboard turns off and jerseys have been put away.

Many of the character traits required to be a successful student-athlete are exactly those that will promote a successful life after high school, and thus we firmly believe student-athletes, staff, parents, and community members should adhere to the fundamental values of respect, fairness, honesty, and responsibility. It is our goal to provide an opportunity for participation in a wide variety of student-selected activities. We believe participation in athletics is a privilege that carries with it responsibilities to the student-athletes family, the school, the team, the Chelan community, and the students themselves.

Please support our coaches in their efforts to positively shape the lives of our Chelan youth. All of them put in many hours to see our kids grow and succeed in sport and more importantly in life. As adults, we need to model good citizenship, which goes hand-in-hand with good sportsmanship. We should win every night in this category. We want to be Champions of Character in everything we do. We want to represent Chelan well!

As director of athletics, I get to work with talented and passionate coaches who teach enthusiastic student athletes, see our community come together to cheer and support for our teams at home and away events, and observe our student-athletes grow, mature, and work towards their absolute best both in sport and life. Chelan's student athletes are creating incredible memories, building lifelong friendships, and graduating with a set of skills that will strengthen their ability to lead successful, enriching, and productive lives. It is my pleasure to support them all in this work. We look forward to working with all of you during this academic school year, as we strive to build a Culture of Excellence, together here in Chelan!

Be Loud, Be Proud, Be Positive!

GO GOATS! GO PIRATES!

Scott Paine
