

CHELAN GOATS ATHLETICS

Here is an update on what athletics is shaping up to look like this year with guidelines from the WIAA. Sports may only resume practice and competitions if we meet the phasing level recommended by the Governor's reopening plan. Those are listed in columns 2 and 3. We will make more updates as we get closer to the start of season 2.

2020-21 COVID MODIFIED HIGH SCHOOL SPORT SEASONS

*First Practice thru State Tournament date – actual regular season listed by weeks

Pre-Season practices/conditioning could tentatively occur between September 28 through November 30 and will be based on what phase our county is in and our reopening plan for this summer/fall that must be approved by our school board. There has been no decision on whether we will hold any open gyms prior to the season.

Please visit the WIAA Website for the most up to date information regarding the '20-'21 school year: <https://www.wiaa.com/>

Family ID Registration tentatively will open for Chelan HS Sports on Monday, November 30th, 2020
