

**LAKE CHELAN
SCHOOL DISTRICT**

**FOOD SERVICE
DEPARTMENT**

- #1 Applications for Free and Reduced-Price Meals must be filled out each year before October. New applications for 2021-2022 are now available. Applications can be picked-up at all school building front offices, district office, downloaded from the district website or you may text your email address to 509-860-4123 and we will email you a copy. Every registered student will receive an application packet by mail.
- #2 Please be aware that approved applications do not remove previous negative balances. Always check for errors on your application. If a students meal status changes during the year, parents are still responsible to pay for meal balances that have incurred. Any resources received through government agencies? Changes will affect a students meal status. District policies are clear, we are a public entity, **by law**, we are not allowed to carry negative balances.
- #3 Text or call the Food Service Hotline during school hours at 509-860-4123.
