Notes:

Dr. Sementi shared themes heard at the January 22nd listening sessions

A desire to have interest advertised was shared

It was indicated that some are nostalgic about MOE

MOE has had 2 major remodels

There was discussion about portables including cost, value, and long term uses

There was discussion about Wenatchee School District's 2014 remodel and new construction projects.

- Washington Elementary was built in 1953 Rebuilt 2016, \$31.5 M, 73,000 sf, \$432/sf, 529 Students as a new, two-story facility (1953 building replaced) to accommodate 650 students, eliminating external portables.

- Lincoln Elementary was built in 1956, Modernized in 2016, \$23.7 M, 41,014 SF Renovated, 8,650 SF New= 49,664 SF, \$477 / SF, 530 Students with new classrooms, a gym, library, and upgraded, energy-efficient infrastructure.

College voters are tough to get to and to get ballots completed by
Renovation vs. remodel of MOE will be discussed

Reasons were shared regarding why CTE, Athletics, and ADA projects were on the Nov. ballot

It was shared that there could be more advertising of the Senior Tax Exemption

The next meeting will be March 26.
